

First Ladies of Fashion Crystal Couture February 15, 2009

Style is back in the White House, and style is all over Crystal City. In honor of President's Day, Crystal Couture celebrated the style icons who have occupied 1600 Pennsylvania Avenue. From Jackie O all the way to Michelle Obama, the First Ladies of Fashion were on everyone's mind.

Classic fashions from Tsyndyma, Ibhana Creations, and Ceci G were on the runway, with accessories from ADMK Designs, LC Beads, and Signature Designs by La Norma.

Elegance was on everyone's mind as they enjoyed a relaxing Sunday afternoon, sipped on Cape Cods, and nibbled on Tea Sandwiches.
