

Wedding Wednesday Crystal Couture February 18, 2009

Here come the Brides! On February 18, 2009, Crystal Couture opened up the floor to wedding dresses. Brides To Be descended on Crystal City to sip champagne and to take in the latest in Wedding fashions.

Every budget was accommodated at Crystal Couture, with dresses from Goodwill all the way to dresses from Nicole Miller. There were also great wedding accessories, and delicious cupcakes from Couture Cupcakes.

The room was bathed in white and filled with fabulous ideas to make any Wedding great.
