

IMAGINE THE POSSIBILITIES

CONSTRUCTION UPDATE 1900 CRYSTAL DRIVE 9.9.2019 - 9.15.2019

We are excited to announce the demolition activities at 1900 Crystal Drive are complete and therefore we will be removing the temporary covered walkway along Crystal Drive and reopening the sidewalk.

In order to do so, for one week, starting September 9th through September 15th the covered walkway along the West side of Crystal Drive will be closed. No vehicular traffic will be affected.

Thank you for your patience. We will continue to communicate with you as construction progresses. Stay tuned!
