

CRYSTAL WI-FI

Crystal City is all about access! Crystal City added another layer of accessibility by offering FREE internet Wi-Fi Access in some of its most comfortable courtyards, plazas, and parks. With Internet service donated by Atlantech Online, Wi-Fi service provided by Compass Solutions, and rooftops for antennae provided by Vornado/Charles E. Smith, the Crystal City BID installed a wireless network to provide Crystal City residents, tourists, and employees itching to get outside with an opportunity to get Online!
